

Easel Stands

Model#: CPS400

Aluminum poster / easel with retractable tripod stand for quick and professional poster set up. Comes with safety clamp for tightening and adjustable bracket to hold poster. This easel is perfect for setting up display boards both inside and outdoors. This bestselling easel is practical, affordable, and easy to use.

Aluminum tube construction and rubber tipped feet. Height is adjustable. When the legs are fully extended it can be used as a floor easel and when the legs are collapsed down you can use the same easel as a table easel. The metal tray that holds artwork is adjustable and can be removed.

Product Features:

- Adjustable and extractable legs
- Quick release spring mechanism clamp top
- Functions as a table-top or floor easel
- Includes a Carrying Bag
