- Comes with 2 halogen lights and a hard case
- Lightweight yet stable

For more information:

The stretch fabric graphic stays attached to the frame and makes for quick and easy display set-up and take down. Our lightweight aluminum alloy fabric pop-up display in a matte satin anodized finish is an ideal eye-catcher for your tradeshow, exhibition, or conference. Its versatility and simple setup, as well as its velcro attachment, make it functional for special events. The tension fabric displays ultimate in frame-graphic technology.

We offer complete packages including printing or we can just supply you hardware only. Our fabric is 100% polyester and printed using a full color dye sublimation process, allowing a spectrum of vibrant color and photographic potential on your display. The durable frame and integrated wrinkle resistant fabric graphic set up easily, without tools, in minutes. The frame stretches the fabric just enough to create a taut, seamless wall.
