

# Standard X-Stand

Model#: CXS200 series

X-banner stands are one of the most cost effective ways of displaying the banners. Made out of fiberglass and metal, the X-banner stand is lightweight yet durable. The X-banner stand is comprised of 4 poles which are held together when in use via a central hub. Support offered by the two bottom legs makes the X-banner stand more stable. Designed for a banner with grommets in each corner. Comes with a nylon carrying bag. This stand is perfect for use in retail environments, banks, trade shows, exhibits & conference rooms.
