

MAGAZINE RACKS

Vantex™
"Display & Graphic Solutions"

Model#: CLR200 series

Product Features:

- Double sided shelves
- No assembly required
- Brushed aluminum frame with acrylic panels
- 5 pockets with an extra pocket at the bottom
- Compartment size: 9.25" x 11.75" x 1"
- It heights 56.5" when setup
- Comes with a canvas bag or an aluminum case
- 1-year manufacturer warranty

Six (6) collapsible magazine racks. Brochures or catalogs can be displayed on either side of the racks. Made out of aluminum and easy to set up. Perfect for exhibitions, sales promotions, marketing campaigns, and trade shows. Comes with either a canvas carrying bag or an aluminum case. It heights 56.5" when set up. The ability to store literature in the pockets during transport makes this ideal for trade show use. Double sided display features 5 pockets with an extra pocket at the bottom, and easily folds to only 7.5" high after use.
