L-mini tabletop banner stand comes with adhesive rails for easy graphic mounting. The tabletop L stand is a simple and versatile table and countertop display. Affordable, compact, and easy to set up, the L-mini stand is an inexpensive way to add that little extra "something" and put your trade show display area over the top. The L-mini tabletop banner stand provides a unique, compact solution for any tabletop. The L-mini tabletop banner stand comes with its own silver finish and sleek style, giving a tabletop solution stylish and lightweight but it does not compromise on its ability to relay the graphic message attached to it. Recommended for indoor use only.
