- Quick-release spring mechanism clamp top
- Functions as a table top or floor easel
- Comes with a carrying bag
- Accepts posters up to 48" W x 33" H
- 1-year manufacturer warranty
- Available in silver color only

Aluminum poster/easel with retractable tripod stand for a quick and professional poster setup. It comes with a safety clamp for tightening and an adjustable bracket to hold a poster. This easel stand is perfect for setting up display boards up to 48" wide x 33" high. This best selling easel stand is practical, affordable, and easy to use. Aluminum tube construction and rubber-tipped feet. Height is adjustable. When the legs are fully extended it can be used as a floor easel and when the legs are collapsed down, you can use the same easel stand as a tabletop easel. The aluminum tray that holds the poster can be removed. It comes with a carrying bag for easy transport. Indoor use only.
