- Can be dismantled for storage
- 1-year manufacturer warranty
- Available in black color only

The double-sided floor poster stand takes up very little floor space and is perfect for any retail setting including malls, restaurants, hotels, banks, hospitals, lobbies, cafes, exhibitions, and showrooms. This floor display stand supports an 11.5" x 17.5" rigid poster and is viewable from both sides. This durable steel sign stand is top loading for easy poster changes. It features a sturdy flat rectangular base and mitered poster frame. Perfect for use in high-traffic areas. The graphic is held in place by the edges of the frame. It holds up to 1/4" thick rigid material. The telescopic support pole enables the stand to adjust the height from 43" to 58". Recommended for indoor use only.
