- Board size: 22" x 30"
- Zinc coated blackboard
- Double sided
- Both chalks and erasable markers compatible
- Fold flat for transportation
- Bottom rubber pads
- 1-year manufacturer warranty

High quality mahogany finished aluminum frame chalkboard. The frame is made of aluminum and painted in a natural mahogany wood color, and the blackboard is made of zinc coated material that is high quality and scratch-resistant. The blackboard can be written on with both chalk and erasable markers. Erasable markers are included. This double sided aluminum frame sandwich board is lightweight and easy to carry. Perfect for restaurants, coffee shops, and retail shops. They are a hallmark in coffee shops, smoothie shops, and other food and restaurants that frequently change menus. Recommended for indoors and covered outdoors but not recommended in extreme heat and high winds.
