

PLEXIGLASS BARRIERS

Model#: ASG-PS SERIES

Plexiglass sneeze guards are essential to keep every business running during the pandemic. The sneeze guards are designed to use on the tabletop. But when higher protection is needed, just simply drill holes on the panels to hang from the ceiling. The plexiglasses come with protective sheets on both sides to avoid scratching on the surface. Simply peel the protective sheets before using it. The plexiglass guards offer 5" clearance at the bottom to allow pass-through paper works, credit card machines, or merchandise. The main panel is 5mm (3/16") thick and the support base is 10mm thick. Can be customized with a logo and design prints. We offer 3 different sizes: 24" wide x 36" high, 36" wide x 30" high and 36" wide x 48" high.
