

CUSTOM FABRIC BANNERS

We provide contract printing services for resellers in the advertising, sign and printing industries. We specialize in polyester fabric printing using the heat transfer dye sublimation printing process. We print on a full range of polyester fabrics from table runners to street flags, large backdrops, and tents. Some of our polyester fabrics are CAN/ULC-S109 fire-proof rated. We also offer digital printing for vinyl banners and mesh banners. We have the ability and the capacity to turn your job around quickly and affordably. Our in-house sewing department can offer a number of custom finishing services. Our sewing team has combined experience of more than 30 years, and our abilities extend from simple grommet to the skill to layout and sew complicated overlay banners. Our sewing crews sew banners of any size with a variety of preferences for finishing.
